Dear Graduate of Hopkins Academy:

Come join us in celebrating the 350th anniversary of Hopkins Academy at our all-class reunion this year!

If you know any Hopkins graduates who have not received the enclosed information, please share it with them and also direct them to our website. While we have tried very hard to build a complete database, this was a huge undertaking and it was not realistic that we would have complete information for all graduates. Any alum who is not in our data base and therefore did not receive this information may now register with us on our website.

On the website, also, you are able to see the by-laws of the Association and are able to stay in touch with our updates about the Alumni Reunion which will be held on May 24, 2014, at the Young Men's Club in Hadley. The reunion itself will consist of a social hour and cash bar and a buffet dinner.

Because we do not have the staff to keep track of dues and such, we decided to instead ask for donations. Our Association is run by volunteers, but we need money to keep our website on line and various other things including the Constance Higgins scholarship that we give to a graduating senior every year. Any help you can give us, we appreciate!

Call me at 413-584-3642 if you need some guidance.

Sincerely,

Connie Paulson Mieczkowski, 1962
Chairman, Hopkins Alumni Reunion Committee
